Hello Committee Members and Board Stakeholders,

In light of recent events related to COVID-19, the Board of Forestry and Fire Protection (Board) has indefinitely postponed the upcoming RMAC and EMC meetings scheduled for March 19th and March 24th, respectively. The Board is acting upon guidance from federal, state, and local agencies to postpone or modify any activities that are not absolutely essential and in an effort to address public health concerns regarding COVID-19.

Board staff will continue to monitor the situation and await further direction from the public health officials on this matter. The Board will provide additional information with respect to meeting rescheduling as matters develop. We appreciate your understanding, and please do not hesitate to contact me directly with questions or concerns.

Sincerely,
Brandi Goss
Environmental Scientist
