

Possible Evacuation Routes (Unin.) **DRAFT** Figure 12.9

- Possible Evacuation Routes (Unincorporated)
- Freeways
- Highways
- Cities
- National Forest
- Other Counties
- Unincorporated Areas

NOTE:
 This map shows possible evacuation routes: public, paved through-roads. However, a viable evacuation route is situational, context-specific, and subject to change. During an emergency, emergency responders will determine which of these routes to use.
