GoToWebinar

EMC meetings can be observed via live webcast. Committee members must attend in person at one of the meeting's noticed locations, along with any members of the public that choose to attend. Members of the public may observe the meeting via webinar by registering at <http://www.bof.fire.ca.gov/>. Due to space limitations on its servers, the Committee may not preserve audio or video recordings of its meetings. If a quorum is present at a single location, the physical meetings may continue if the webinar broadcast is interrupted or terminated for any reason.

The Bagley-Keene Open Meetings Act only guarantees the right to offer public comment for individuals attending at a noticed location. However, the committee typically attempts to accommodate public comment from individuals observing via webcast from unnoticed locations, as described below. As stated on the Meeting Agenda, Board staff will address webcast participants prior to normal Committee business to provide guidance on meeting format and stakeholder participation.

Submitting A Comment: During the meeting, all participants will be muted by the meeting organizer. Participants will have an option to submit a comment, either by writing your comment or by directly addressing the members verbally. To submit a written comment, type the text of the comment in the "Questions" pane of the GoToWebinar interface. To submit a comment by verbally addressing the members, select the "Raise Hand" icon on the left-hand side of the GoToWebinar interface. The meeting organizer will call you by name and unmute you so you can address the Committee members. If you are commenting verbally, please be sure to unmute your phone or device. An example image of the GoToWebinar interface, with the "Raise Hand" icon and "Questions" pane in bold, is in Figure 1 at the end of this agenda. If the agenda identifies an optional physical location, members of the public attending at that location should physically raise their hand to indicate to members and staff at that location the desire to make a verbal comment. If your comment relates to a particular agenda item, please indicate your request to comment at the beginning of or during the consideration of that agenda item in order to ensure comments relate to the particular agenda item being discussed. If your comment relates to a topic within the Committee's jurisdiction and is not otherwise on the agenda, please indicate your request to comment during the Public Forum period, which will occur at the end of the meeting. The meeting organizer will manage the queue of comments. In addition, please see the section on Submission of Written Materials for information on submitting other written materials.
