Joint Institute for Wood Products Innovation Seeks Nominations for Advisory Council Member

The [Joint Institute for Wood Products Innovation](#) (Institute) is requesting nominations for a vacancy within its Advisory Council. The Institute is a committee of the Board of Forestry and Fire Protection (Board) and consists of two co-chairs, two academic positions, 11 Council members, and one Board staff. Council members reflect a diversity of perspectives and expertise, which may include forest products, forest management, environmental conservation, finance/investment, forested communities, rural economic development, tribes, and other areas of interest as determined by the Board.

Additionally, the Institute supports research to innovate new uses for forest products, emphasizing carbon sequestration opportunities, and makes recommendations for state and federal policy changes to serve as a force multiplier for forest products.

This position is a 2-year term, without term limits, subject to reappointment by the Board. The Council meets a minimum of four times annually; however, currently meetings are scheduled six times annually and may be adjusted as necessary.
