Subject: Board of Forestry Review for Safety Element - City of Moreno Valley's General Plan Update

Dear Ms. McCoy:

On behalf of the City of Moreno Valley, the City is submitting its Safety Element for review as provided for in Government Code section 65302.5. The City staff has been working closely with Raymond Martinez, Battalion Chief with Cal Fire to ensure that the Safety Element addresses all of the State requirements. The City is hoping that this item can be scheduled for the May Board of Forestry hearing date so that the City can begin our public hearings on the General Plan in late May.

If you require additional information or have any questions, please let me know.

Sincerely,

Chris Ormsby, AICP  
Senior Planner
